More room for your design

With the BE CREATIVE collection, your imagination is the only limit. These promotional gifts offer unparalleled customisation opportunities – not just simple logos, but complete, all-over designs in vibrant full-colour print. Choose the ideal product, customise its unique properties and equip it with your own design to create a truly unique gift that perfectly conveys your brand's identity.

Made in Central Europe

BE CREATIVE products are manufactured or assembled exclusively in Central Europe, ensuring exceptional quality and reliability. Dedicated in-house production facilities allow products to be customised swiftly and meticulously, with printing, assembly, and delivery preparation completed within just a few days.

Flexible orders, smart solutions

The BE CREATIVE collection offers highly flexible order options with exceptionally low minimum order quantities. This allows businesses of all sizes to access fully customised promotional products without the need for large-volume commitments. Whether it's a niche campaign, a product launch, or a limited-time event, BE CREATIVE helps keep orders cost-effective.

Responsible gifting

This collection proudly offers a wide range of environmentally friendly options, from recycled to organic materials. We add more eco-friendly products each year so you can showcase your company's environmental actions, keep up with sustainability trends, and fosters trust and loyalty through conscious choices.

High-quality printing

State-of-the-art printing technologies are used across the BE CREATIVE range to achieve sharp detail, consistent colour and reliable repeatability. Digital methods handle fine lines, gradients and full-colour artwork particularly well, helping your design stay clean and legible even on smaller items.

The best decoration method depends on the product material and the desired effect – check the product descriptions for the available technology. The indicated “Free printing” option means the printing method is already included in the product’s price.

UV UV LED PRINTING

UV LED printing is a full-colour, digital labelling process utilising UV-cured inks. Logos are directly printed on the product's surface in high-resolution, resulting in instant photo quality imprints.

SU SUBLIMATION PRINTING

Sublimation printing is a full-colour, digital labelling technique with photo quality. Designs are printed with special ink on a transfer paper, then heat-pressed onto the product's surface. Sublimation is only applicable to light coloured polyester and sublimation coated products.

DG DIGITAL PRINTING

Digital printing is used to imprint paper products and paper inserts in photo quality. Paper inserts can be produced in various sizes and shapes.

N* VARIABLE NAME PRINTING

Variable name printing is an additional service applied across several printing technologies that enables each item to be individually customised. It allows different names, serial numbers, or data to be printed on each product with consistent quality and precision.

FP FREE PRINTING

Price includes printing with indicated technology. Excluding setup charge.
